

CELEBRATING THE SPIRIT OF TRANSCENDENTAL INCLUSION.

Free & Abundant Living Experiments is an invitation to embrace the larger context of inclusion as realised by the larger intelligence and the larger power of the universe, that we refer to as Transcendental Inclusion.

It is an invitation to embrace allowing the intelligence, the power and the love of the universe to flow through us to each other, in giving and receiving freely & abundantly.

JOIN US

If you feel inspired to give something to others freely - an experience, a piece of knowledge/wisdom, love in the form smiles/hugs, joy in the form of music/games/ dance, food/ laughter/ inspiration that feeds body, mind and soul, or just your beautiful presence and the gift of any kind of receiving, etc., join us next weekend, as we come together as a collective in giving & receiving freely and abundantly with each other.
